The West Springfield Department of Public Works is now offering a drop-off service for computer monitors and televisions beginning Monday, December 11, 2006. The cathode ray tubes (CRTs) in these items contain environmentally damaging lead and other metals and will be collected for recycling.

The curbside collection by appointment for these items will be discontinued as of March 1, 2007.

The drop-off center will be at the DPW Yard at 430 Westfield Street between the hours of 7:30 am to 12 noon and 12:30 pm to 3:00 pm, Monday through Friday. For more information call (413) 263-3246.
