## **PRESS RELEASE**

The Department of Public Works is pleased to announce that it recently received \$9,785.74 from the Springfield Materials Recycling Facility (MRF) for its recycling efforts. This represents revenues for recyclables collected during the months of January 2009 through June 2009. Had the materials been disposed of as ordinary trash, the Town would have spent \$58,340 at Covanta. We are proud of our citizen participation in the recycling program.
