

2009 Compost Bin Distribution Program

Sponsored by the West Springfield Department of Public Works

- 💧 Constructed with recycled materials- 55-gallon plastic food-grade barrel & cedar frame
- 💧 Light-weight, easy to set up and use
- 💧 Screw-on top for easy loading & unloading
- 💧 Barrel turns around a steel rod for thorough mixing
- 💧 Minimizes issues with animals (bears, dogs, etc.)
- 💧 Reduces garbage disposal costs; use of compost also reduces water & sewer bills and stormwater runoff
- 💧 Packaged to fit into any vehicle for transport
